during the allied victory celebrations there were few who chose to raise a glass to the staff the high cost of casualties endured by the british army tarnished the reputation of the military planners which has yet to recover this book examines the work and development of the staff of the british army during the first world war and its critical role in the military leadership team their effectiveness was germane to the outcome of events in the front line but not enough consideration has been paid to this level of command and control which has largely been overshadowed by the debate over generalship this has painted an incomplete picture of the command function characterised as arrogant remote and out of touch with the realities of the front line the staff have been held responsible for the mismanagement of the war effort and profligate loss of lives in futile offensives this book takes a different view by using their letters and diaries it reveals fresh insights into their experience of the war it shows

that the staff made frequent visits to the front line and were no strangers to combat or hostile fire their work is also compared with their counterparts in the french and german armies highlighting differences in practice and approach in so doing this study throws new light upon the characteristics careers and working lives of these officers investigating the ways in which they both embraced and resisted change this offers evidence both for those who wish to exonerate the british command system on the basis of the learning process but also for those critical of its performance thus advancing understanding of british military history in the first world war

contains the 4th session of the 28th parliament through the session of the parliament

since its creation in 1716 the royal artillery has been a cornerstone of the british armed forces as their motto ubique everywhere implies in this book philip jobson has collated the enormous and complex artillery lexicon which has accumulated since that day as dynamic as its subject to keep pace with technical and tactical innovation the development of indirect fire counter battery anti tank and anti aircraft fire all required a novel vocabulary as did advances in survey and locating changes in communication from shouts to flags to line to radio to compressed data transmission all left their mark on the language epic in scope and detail even the most expert gunner would be likely to fail an unseen test based on this work it will therefore be a pleasure to those who think themselves expert to browse this volume and will serve as an invaluable reference for historians and researchers to ensure that they use the correct term and understand its true meaning

for the first time ever the ybooks in the saga of dray prescot of earth and of kregen are being brought together in omnibus editions in the first havilfar cycle omnibus dray prescot was launched headlong into a brand new series of adventures upon the planet of kregen that marvelous and beautiful mystical and terrible world four hundred light years away beneath the suns of scorpio now hamal the greatest power in havilfar is bent on conquest and prescot hates the hamalese because he slaved in their diabolical heavenly mines his mission is to discover the secrets of the hamalese airboats for his own people this book contains bladesman of antares avenger of antares armada of antares
